A perspective view of the completed LEGO Technic assembly. It features a long, thin structure made of red and black Technic beams and connectors. The structure is composed of several red beams connected by black pins and connectors, with a black beam running parallel to the side. The assembly is shown against a light blue background.

A red LEGO Technic beam assembly, likely a part of a larger model, shown against a blue background. The assembly consists of a long red beam with several black pins and connectors. The beam is oriented diagonally from the bottom left towards the top right. It features a series of black pins along its length, and a black connector is visible at the top right end. The assembly is set against a solid blue background.
